- *An asterisk (\*) in a response category means that less than 0.5% of respondents chose that response category and a dash (-) represents no response.*
  - *"Asked" is the percentage of respondents that are asked a question because they meet a criteria based on a response to a previous question, meaning not all 800 respondents received that question. "All" is the percentage of the total sample, that is 800 respondents.*
  - *Sample A was asked of half of the respondents = 400 Registered voters.*
  - *Sample B was asked of half of the respondents = 400 Registered voters.*
  - *Trend data is from surveys previously conducted for The Better World Campaign 2009-2016.*
