***In this document:***

- *An asterisk (\*) in a response category means that less than 0.5% of respondents chose that response category and a dash (-) represents no response.*
  - *"Skip base" is the percentage of respondents that are asked a question because they meet a criteria based on a response to a previous question, meaning not all 800 respondents received that question. "Total base" is the percentage of the total sample, that is 800 respondents.*
  - *Sample A was asked of roughly 1/2 of the respondents = 402 Registered voters.*
  - *Sample B was asked of roughly 1/2 of the respondents = 398 Registered voters.*

3. Now, thinking about international issues, I want you to rate on a scale of zero to one hundred how much international issues abroad impact you personally. Zero means the you feel international issues have no impact at all, one hundred means you feel international issues have a great deal of impact on you personally, and fifty is the midpoint and means you are neutral. You can choose any number from zero to one hundred.

**(IF A RESPONDENT SAYS ZERO, ASK:)** And just to make sure, are you giving a rating of zero because you feel international issues have no impact at all on you personally, or are you just not sure of how you feel? **(IF STILL UNSURE OF HOW THEY FEEL CODE AS 998)**

Changing Topics...

42. Working through the United Nations, American and world leaders have established a set of seventeen global goals to end extreme poverty, protect the planet, and ensure prosperity for all as part of a new sustainable development plan. These goals set specific targets for all countries to achieve over the next 15 years by the year 2030, regardless of their current level of development.

Before this survey, how much have you seen, read, or heard about these new global goals?
